

# 21½ & 17 miles Gustine

Starts in Gustine — at the Texaco station on Hwy. 36. Please check with them about parking and using their facilities — they're real nice folks.

There are no relief or refresh points on the county roads. Plan ahead.

## **EMERGENCIES**

All parts of the routes:  
Comanche County Dispatch  
325-356-7533  
or **911**

The Cross Timbers Bicycle Club has, as a matter of courtesy, made these potential cycling routes available to any interested cyclist. While the routes were thought to be reasonably appropriate for prudent cycling at the time they were published, the Club makes no promise or warranty as to the current road conditions, safety of the route, or advisability or appropriateness of any route for a particular rider, and the Club assumes no responsibility for the same. Cyclists riding the routes made available on this web site do so at their own risk, should confirm route conditions and appropriateness prior to riding, and should always ride in a safe and prudent manner. >> **ALWAYS WEAR A HELMET** <<
